Kommersant recognizes Tashir among Russia's top 600 companies

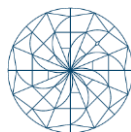

Kommersant has included Tashir Group in its annual ranking of Russia's top 600 companies (see Issue #180, October 3, 2019). The ranking, put together by RAEX Analytics, is based on total revenue for the past year. In 2018, the group's revenue amounted to 172 billion rubles, which is 4.9 percent higher than a year earlier.

In September, Forbes and RBC published their rankings, also listing Tashir among Russia's top 100 companies.

About Tashir Group

Tashir is a diverse nationwide group of companies, established in 1999 and bringing together over 200 companies in various sectors, including construction, manufacturing, finance, energy, development, retail and entertainment. Tashir has over 45,000 employees in 51 cities in Russia and neighboring countries. Samvel Karapetyan is the

founder and President of Tashir. The company's headquarters are in Moscow.

The core of Tashir Group's business is commercial real estate development and management, with an emphasis on retail space. Tashir is a leader on the Russian development market, creating modern, state-of-the-art facilities in commercial and residential real estate with a total area of approximately 2.5 million sq.m.

About RAEX Analytics

RAEX Analytics was established in 2015 to compile rankings, assign non-credit ratings, perform studies of industries and markets and organize events to present its analysis. The agency published over 50 rankings and ratings a year and holds over 20 conferences and round table discussions.

The agency's portfolio includes the ranking of Russia's biggest companies (RAEX 600, published since 1995, initially as Expert 200 and later as Expert 400), the investment climate ranking of Russian provinces (since 1996), the rankings of auditors and consultants (since 1996), universities and schools, health care centers, procurement systems, banks, insurance companies, leasing companies, etc. RAEX Analytics has been recognized with dozens of industry awards.
