Press Release

December 04, 2014

Tashir is a general partner of Moscow Urban Forum IV

As is traditional, Tashir Group will be the General Partner of Moscow Urban Forum IV, which is held with the support of the Moscow Government. The theme of this year's forum is 'Drivers of urban development'.

Tashir Group will be the acting General Partner of the Forum for the fourth time, where the topics will include the management of urban development; working effectively with the drivers of growth; and, promising models for the future development of Moscow. Representatives of the international expert community and mayors of some of the world's largest cities will take part in a discussion on the issues facing urban development studies, which will include an exchange of experiences and presentation of some of the most promising urban development projects. The Moscow Urban Forum will be held from December 11 to 14 at the Central Moscow exhibition hall in Manege.

Tashir is the largest multifaceted industrial construction group in Russia, and includes over 200 dynamically growing organisations - leaders in various sectors of the Russian economy. The Group owns and operates assets in manufacture, finance, construction, energy generation, telecommunications, utilities, and fuel sectors in Russia and abroad.

Tashir is an active participant in the Russian development market, a creator of state-of-the-art commercial and residential real estate. A number of challenges in the improvement and development of Moscow's infrastructure and creation of the new face of the capital are currently being implemented by the Group.

The Group's project portfolio in the capital is diverse - from the construction of shopping centres, hotels, and major roads to the regeneration of buildings and city centre lighting. Tashir is committed to a long-term effective partnership with the city and the support of its further development portfolio.
