Press release

April 20, 2018

Tashir Group is the general partner of the 2018 Moscow Urban Forum

In 2018, as before, Tashir Group will participate in the annual Moscow Urban Forum, the world's largest congress on urban development, as its general partner. The forum will take place at the Zaryadye Concert Hall on July 17-22. This year's subject is "Megacity of the Future: New Space for Living."

The 2018 Moscow Urban Forum will combine different formats: plenary sessions and panel discussions, a large-scale city festival, a developer expo, the MUF Awards ceremony and experimental laboratories.

This is the eighth time that Tashir Group joins the forum as its general partner. The subject picked for this year's forum is particularly important for the group, as in 2018 Tashir announced plans to build a high-tech exhibition cluster at VDNKh and a chain of diagnostics centers. Also, Tashir is working on a number of major transport hubs in Moscow.

Tashir Group was listed by Forbes among the top owners of commercial real estate in 2018, confirming its powerhouse status on the real estate market.

Tashir is a diverse nationwide group of companies, established in 1999 and bringing together over 200 companies in various sectors, including construction, manufacturing, finance, energy, development and retail. Tashir has over 45,000 employees in 25 cities in Russia and neighboring countries. Samvel Karapetyan is the founder and President of Tashir. The company's headquarters are in Moscow.

The core of Tashir Group's business is commercial real estate development and management, with an emphasis on retail space. Tashir is a leader on the Russian development market, creating modern, state-of-the-art facilities in commercial and residential real estate with a total area of approximately 2.5 million sq. m.

About the Moscow Urban Forum

The Moscow Urban Forum is the largest international congress on the challenges that global megacities face today in their development. The forum has been held annually since 2011.

MUF brings together Russian and international municipal officials, architects, urban planners, developers, financiers, investors, technology startups, media and general public.
