Tashir Group confirms its leadership status on the development market

Tashir Group is once again listed among Russia's top developers. According to Infoline rankings as reported by Kommersant, Tashir occupies the second line with 1.5 million square meters in leasable area.

With assets in Moscow, other Russian cities and Yerevan, the group has been listed every year since the rankings were first published in 2013, staying solidly in the second place among Russia's top commercial real estate owners.
