Press Release

April 17, 2015

Welcome to REX 2014

Dear colleagues, dear friends

On behalf of Tashir Group ,I am delighted to welcome you to REX 2014 - the largest international exhibition of commercial real estate. For 11 years REX has been the key platform for an open dialogue between all stakeholders involved in the formation of real estate projects, and has been setting the bar of further development of this industry in the Russian economy.

The commercial real estate market needs quality projects and is waiting for new discoveries. I am certain that this year the event will once again become a reference point for new projects, and attract the best players for the exchange of professional experience, the building of partnerships, and identification of the best approaches to sustainable development in the commercial real estate market. Tashir Group supports the most outstanding initiatives and we are therefore pleased to act as the General partner to such a significant professional event. Will be glad to see You at the stand of Tashir Group to discuss the prospects of potential cooperation.

Welcome to REX 2014!

Sarkis Karapetyan, vice-president of Tashir Group.

About

Tashir Group

Tashir is a diversified federation-wide group of companies founded in 1999 and uniting over 200 companies in various sectors of Russia's economy, including construction, manufacturing, finance, energy, development, and retail. Its staff totals over 45,000 people. The company's geography covers over 60 cities of Russia and the former USSR. Tashir's founder and President is Samvel Karapetyan; the company is headquartered in Moscow.

The Group's primary business is development and managing of commercial real estate, with a focus on retail estate. Tashir is a leader in development in Russia and has so far built 2.5 million sq m of modern, hi-tech commercial and residential real estate.
